

AML (ANTI-MONEY LAUNDERING) AND CFT (COUNTERING THE FINANCING OF TERRORISM) POLICY

A2F Partners Limited (RC 9538221) · Adopted by the Board on 7 August 2026 · Version 1.0

1. PURPOSE AND SCOPE

This policy sets out how A2F Partners Limited prevents its business from being used for money laundering or the financing of terrorism. It applies to every director, employee, contractor and agent of the company, and to every client engagement without exception.

A2F Partners Limited is a management consulting and business advisory firm. It is **not** a bank, lender, fund manager or broker, and it does not carry on any regulated financial service. Regulated capital markets activity arising from any engagement is executed by licensed CMOs (Capital Market Operators). The company does, however, fall within the category of a DNFBP (Designated Non-Financial Business and Profession) under Nigerian law, and this policy is written on that basis.

2. LEGAL FRAMEWORK

Instrument	Relevance to A2F Partners Limited
MLPPA (Money Laundering (Prevention and Prohibition) Act) 2022	Prohibits and regulates the Money Laundering (Prohibition) Act 2011. Sets CDD (Customer Due Diligence) requirements
TPPA (Terrorism (Prevention and Prohibition) Act) 2022	Prohibits dealing with the property of designated persons and entities
SCUML (Special Control Unit against Money Laundering) Regulations 2022	SCUML is the Regulatory Body (Economic and Financial Crimes Commission) and registers and monitors DNFBPs
NFIU (Nigerian Financial Intelligence Unit) requirements	Requires filing of any STR (Suspicious Transaction Report) the company files
CAMA (Companies and Allied Matters Act) 2020	Requires disclosure of any PSC (Person with Significant Control) holding 5% or more

3. GOVERNANCE AND RESPONSIBILITY

Role	Holder	Responsibility
Board of Directors	Akinwole Oludayo; Ojo Oluwatoyin	Owns this policy. Reviews it at least annually
Compliance Officer	_____ (to be named)	Manages day-to-day operation of this policy; CDD (Customer Due Diligence) sign-off; file STRs
All staff and contractors	All	Apply this policy; escalate concerns to the Compliance Officer immediately

4. CDD (CUSTOMER DUE DILIGENCE)

No engagement begins, and no fee is accepted, before CDD (Customer Due Diligence) is complete. For every client the company obtains and records:

- a. Full legal name, registration number and registered address, verified against the CAC (Corporate Affairs Commission) register.
- b. Identity of directors, and of every UBO (Ultimate Beneficial Owner) holding 5% or more, with government identification.
- c. The nature of the client's business and the purpose of the engagement.
- d. Source of funds and source of wealth where the engagement involves the movement or raising of capital.
- e. Screening of the client, its directors and its UBOs (Ultimate Beneficial Owners) against sanctions lists and for PEP (Politically Exposed Person) status.

EDD (Enhanced Due Diligence) is applied, and Board approval obtained, where a client or any UBO (Ultimate Beneficial Owner) is a PEP (Politically Exposed Person); where ownership is opaque or held through nominees; where the client operates in a high-risk jurisdiction; or where the transaction has no clear economic rationale.

5. PROHIBITED RELATIONSHIPS

The company will not act for, and will terminate any relationship with, a client who: refuses to identify its UBOs (Ultimate Beneficial Owners); appears on a sanctions list; is a shell entity with no discernible activity; or asks the company to accept or transmit cash on its behalf. **A2F Partners Limited does not accept cash payments and does not hold client funds.**

6. REPORTING SUSPICION

Any director, employee or contractor who suspects that funds or a transaction relate to money laundering or terrorist financing must report it to the Compliance Officer **the same day**. The Compliance Officer assesses the report and, where suspicion remains, files an STR (Suspicious Transaction Report) with the NFIU (Nigerian Financial Intelligence Unit) within the period required by law. **Tipping off** — telling the client or any third party that a report has been or may be made — is a criminal offence and is strictly prohibited. No person will suffer any detriment for reporting a suspicion in good faith.

7. RECORD KEEPING

All CDD (Customer Due Diligence) records, engagement files, transaction records and internal suspicion reports are retained for at least **five years** after the end of the client relationship, and are produced to a competent authority on lawful request.

8. TRAINING

Every director, employee and contractor receives AML (Anti-Money Laundering) and CFT (Countering the Financing of Terrorism) training on joining and at least once a year thereafter. Attendance is recorded by the Compliance Officer.

9. REGISTRATION STATUS AND OPEN ACTION

A2F Partners Limited was incorporated on 12 May 2026. The Board records that registration with SCUML (Special Control Unit against Money Laundering) as a DNFBP (Designated Non-Financial Business and Profession) **is outstanding and is being pursued as a priority**. Operating as a DNFBP (Designated Non-Financial Business and Profession) without valid SCUML (Special Control Unit against Money Laundering) registration carries a fine of up to NGN 1,000,000 and possible closure. The Compliance Officer is responsible for completing this registration and for reporting completion to the Board.

10. REVIEW

This policy is reviewed by the Board at least annually, and immediately upon any material change in the company's business or in applicable law.
